

## Lab 2: HDFS

DSCI 551 – Spring 2024

Due: 11:59pm, February 2, 2024, Friday

Points: 10

For each of the following HDFS dfs commands, submit a screenshot showing an example of the command and also explain what the command does.

- ls
- mkdir
- put
- get
- rm
- rmdir
- cp
- cat

### **SUBMISSION INSTRUCTIONS:**

1. Submit one **PDF file** with answers for the above questions.
2. Attach one screenshot per command in the PDF file.
3. Late submissions will not be accepted.
4. 10% PENALTY if submission instructions are violated.
